BABA BRINKMAN'S RAP GUIDE TO CULTURE ●●●●● Starting with the dictionary definition of 'culture', Brinkman proceeds to rap and exposit his way through human evolution from its infancy through the spread of agriculture to the invention of hip hop. The show does flag in a section on sexual difference but excels when Brinkman shares his obvious love for the musical artform, whether exploring the rules for white boy rappers or comparing hip hop to Chaucer. (Suzanne Black) **Gilded Balloon Patter Hoose, until 26 Aug, 4.15pm, £10.50–£11.50 (£9.50–£10.50).**
